

The Campaign for Friends World Committee for Consultation

SECTION OF THE AMERICAS

La Campaña Financiera para el Comité Mundial de Consulta de los Amigos

SECCIÓN DE LAS AMÉRICAS

The FWCC Founders Fund

Honoring Our Past, Building Our Future

In September 1937 almost 1,000 Friends from around the world gathered at Swarthmore and Haverford Colleges in Pennsylvania. This gathering gave birth to the Friends World Committee for Consultation, as a much-needed vehicle for encouraging fellowship and dialogue among all branches of our Religious Society.

Later world gatherings also brought together many Friends who individually and collectively have played a major role in shaping who we are as Friends today. Some of those from the Section of the Americas are listed below.

The FWCC Founders Fund was set up through a generous challenge gift in the name of J Passmore and Anna Griscom Elkinton, who helped organize the 1937 World Conference. It is designed to show appreciation of those who have been instrumental in our formation and growth as Friends. We invite your support, which will be used to ensure FWCC's long-term funding.
