

San Nicolas de los Garza, Nuevo Leon, MEXICO November 16th, 2009.

TO ALL FRIENDS AROUND THE WORLD:

During the XXXVI General Meeting of Friends in México celebrated at the Iglesia de los Amigos in San Nicolas de los Garza, Nuevo Leon, November 14th-16th, 2009, gathered Friends were from, Ciudad Victoria Monthly Meeting, Mexico City Monthly Meeting, Pacific Yearly Meeting, Aotearoa New Zeland Yearly Meeting and the host meeting, San Nicolas de los Garza Monthly Meeting.

Under the theme: "The fervor in the General Meeting's groups of Friends", the worship and sharing groups explored both fervor and apathy, as well as the factors that produce one and the other.

In the same way, we considered the question: ¿Is the Church your priority?.

We also tried to identify which gift or gifts each of us have, and which of them we have to our Church's service; all this, in an environment of peace and harmony, trusting that God was always present in all our activities and that it was Him who through the Holy Spirit guided us to find the right answers to each of our queries, pointed out to us the way in which we can give each other the best.

Full of joy and strengthened by the Lord, we give thanks for the opportunity we had to be gathered in His name and to know each day more about Him.

Horacio R. Peña García.

Clerk of the General Meeting of Friends in Mexico.
